CCLI SONG NO. 5061912

**Dedicated to Children's Ministry volunteers and professionals all over the world**

VS 1

*In the eyes of every child  
Behind their tears, behind their smile  
Is a story of their life and times  
More than what they heard in nursery  
rhymes  
A story showing in their eyes*

*The story starts, and then it grows  
It's what they see, it's what they know  
If they see the love of Jesus clearly  
Learn to hold on to Him dearly  
You'll see the love of God grow in their eyes.*

*Chorus  
There's a story in the eyes of every child  
It's their journey, every turn, and every smile  
Will they see Jesus before their hearts grow  
cold  
And hear the Truth before their souls grow  
old,  
Will Jesus be the story in their eyes.*

VS 2

*They need to see; they need a guide  
With open heart, arms open wide  
Simple acts of love can deeply reach them  
Simple words that deeply teach them  
Opening a world of hope in their eyes*

*It's all they ask; it isn't much,  
A little time, a gentle touch.  
If we help to reach a child's heart, then  
We can have a tiny part in  
Jesus in the story in their eyes.*

Chorus

*There's a story in the eyes of every child  
It's their journey, every turn, and every smile  
Help them see Jesus before their hearts  
grow cold  
And hear the Truth before their souls grow  
old,  
Help Jesus be the story in their eyes.*

Bridge

*Turn their eyes on Jesus  
With everything you say  
Turn their eyes on Jesus  
With everything you do  
Turn their eyes on Jesus  
In every little way  
Fill their souls, fill their lives  
Fill their hearts, fill their eyes  
With Jesus!*

Chorus

*There's a story in the eyes of every child  
It's their journey, every turn, and every smile  
Let them see Jesus before their hearts grow  
cold  
And hear the Truth before their souls grow  
old,  
Let Jesus be the story in their eyes  
Let Jesus be the story in their eyes  
Let them see Jesus,  
Let them see Jesus.*
